Society for Pediatric Research

YOUNG INVESTIGATOR AWARD

1986

Nominations are solicited for the SPR Young Investigator Award. The award has been given annually since 1983.

The Young Investigator Award is designated to foster the recognition of young physicians who are embarking on a career in investigative pediatrics. Nominations of pediatric house-staff or fellows in training is encouraged. The stipulations regarding the award and nomination can be obtained by contacting Mrs. Helen Wood. A single award will be made in 1986.

RESEARCH GRANT ANNOUNCEMENT

The Society for Pediatric Research announces the establishment of a starter research grant program for young faculty members with monies made available to the Society by the Foundation for Pediatric Research. A single award will be made in 1986 for a maximum amount of \$15,000 per year for a two year period.

For further information about either of these programs, contact:
