## Announcements

### Pediatric Board Review

The Office of Continuing Education of the University of Michigan Medical School is sponsoring a Pediatric Board Review, September 11-16, 1989, at Towsley Center, Ann Arbor, MI.

This review will prepare participants for the pediatric board examination, as well as bring them up to date on pediatrics and its subspecialties. It is recommended for all senior residents, physicians interested in recertification, and those who had difficulty passing the examination.

*For further information contact Betty Phillips, Program Assistant, Office of Continuing Education, G-1100 Towsley Center, Box 0201, University of Michigan Medical School, Ann Arbor, MI 48109-0201, (313) 763-1400.*

### National Conference on Pediatric Trauma

The Office of Continuing Education of the University of Michigan Medical School is sponsoring the National Conference on Pediatric Trauma, September 21-23, 1989, at Towsley Center, Ann Arbor, MI.

This conference is designed for pediatricians, pediatric surgeons, general surgeons, surgical specialists, emergency physicians, and nurses and will focus on progress and results in the management of life-threatening injuries to children, and the application of scientific methods to the study of pediatric trauma.

*For further information contact Debra DeSmyther, Program Assistant, Office of Continuing Medical Education, G-1100 Towsley Center, Box 0201, University of Michigan Medical School, Ann Arbor, MI 48109-0201, (313) 763-1400.*

### Infant Nutrition Symposium

The Second Annual Carnation Symposium, "Nutrition During the Second Six Months of Life," is scheduled for July 12-14, 1989 at the Fairmont Hotel, San Francisco, CA.

Distinguished researchers and physicians will discuss the nutritional needs of the 6- to 12- mo-old and the consequences of failure to provide these needs. They will also discuss how well these needs are met by current recommendations. CME accreditation is available.

*For more information call 1-(703) 471-6180, FAX# (703) 471-5255, telex #899133 WHITEXPO, or write to Symposium Registration Center, P.O. Box 17413, Dulles International Airport, Washington, DC 20041.*
