ANNOUNCEMENT

Search for European Chief Editor

Pediatric Research

After five years of service, the European Editorial Board of *Pediatric Research* will complete its term on December 31, 1995. The Board of Trustees of the International Pediatric Research Foundation has established a Search Committee to review the credentials of qualified candidates for a new European Chief Editor and to make recommendations to the Board, which has the responsibility for final selection.

The Search Committee seeks candidates or recommendations for individuals who might serve as European Chief Editor. The European Chief Editor must be a member of the European Society for Pediatric Research. Interested individuals should submit six copies of their curriculum vitae and those of at least four individuals in their locale to serve as Associate Editors. In addition, the application should include suggestions for further improving the quality of *Pediatric Research* and its growth as a unique biomedical publication. The office carries a budget for supporting staff and an honorarium. Additional information regarding the operation of the European Office can be obtained from the current European Editor, Pieter J. J. Sauer, M.D., Sophia Children's Hospital, Dr. Molewaterplein 60, 3015 GJ Rotterdam, The Netherlands.

The Search Committee will interview selected candidates immediately before the annual meeting of the Board of Trustees in September 1995. *Applications should be sent before February 1, 1995, to: Gunnar Sedin, M.D., Chairman, Search Committee, Department of Pediatrics, Uppsala University Children's Hospital, S-751 85 Uppsala, Sweden.*
