

## Erratum

In the Special Article, “The History of Pediatric Infectious Diseases” (*Pediatr Res* 2004; 55:163–176), the name of Dr. John Nelson was omitted from Table 3 on p. 174. Dr. Nelson was a recipient of the Distinguished Service Award in 1997 and should have been included (along with Dr. George McCracken). The author regrets this error.
