Correction to: *International Journal of Obesity* <https://doi.org/10.1038/s41366-021-00947-7>, published online 01 September 2021

The original version of this article contained a mistake in the "Materials and methods" section. The published version is:

"We also defined severe HDP as systolic blood pressure ≥ 140 mmHg, diastolic blood pressure ≥ 90 mmHg, and/or proteinuria (≥ 2 g/day)."

The correct version is:

"We also defined severe HDP as systolic blood pressure ≥ 160 mmHg, diastolic blood pressure ≥ 110 mmHg, and/or proteinuria (≥ 2 g/day)." The original article has been corrected.
