Correction to: *Laboratory Investigation*

<https://doi.org/10.1038/s41374-020-00483-4>

The original version of this article unfortunately contained a mistake in Fig. 6. The data of Fig. 6b showed the relation

expression of “miR-421”, while the authors mistakenly wrote “pink1” in the y-axis. As for Fig. 6c, the authors missed the data of pink1 mRNA level by qRT-PCR assay. The authors apologize for the mistake. The original article has been corrected.
