Correction to: *Laboratory Investigation* <https://doi.org/10.1038/s41374-021-00691-6>, published online 24 March 2022

results of the same batch at the same time, making the results more rigorous. The original article has been corrected.

The original version of this article unfortunately contained a mistake in figure 7. The authors re-selected the tumor experiment
