# Correction to: Creating heralded hyper-entangled photons using Rydberg atoms

Sutapa Ghosh, Nicholas Rivera , Gadi Eisenstein and Ido Kaminer 

Correction to: *Light: Science & Applications*  
<https://doi.org/10.1038/s41377-021-00537-2>  
published online 12 May 2021

The original article has also been updated.

Published online: 21 June 2021

Following publication of this article<sup>1</sup>, it is noticed the Fig. 2 contained an error: three of the curves were cut. The correct Fig. 2 has been provided in this Correction.
