Correction to: *Oncogene*

<https://doi.org/10.1038/s41388-020-1330-4>

The original version of this article contained an error in Fig. 5. In Fig. 5y, there was a positive correlation between

the expression of lncRNA GCMA and snail IHC score and the Spearman r value should be 0.725 instead of -0.725 .

This has now been corrected in both the PDF and HTML versions of the article.
