Correction to: *Oncogene*
<https://doi.org/10.1038/s41388-020-01479-6>

Unfortunately, in the ESM of the original published version was the GEO accession number given incorrect.

The accession number for the RNA-seq data for the PDXs with the mouse genes subtracted is NCBI GSE149433 and for the LNCaP-95 and AR-KO cells is NCBI GSE 131985.

The original version was corrected.
