In this article two text marking errors on the Fig. 3F and Supplementary Fig. 3A in this paper. The “miR=22” should be corrected as “miR-22” on Fig. 3F. The “Inhibitor-miR-22” and “Inhibitor-NC” on Supplementary Fig. 3A Left (A431) were on the wrong sites and their positions should be reversed.

The correct figures are given below.

The original article has been corrected.
