Correction to: *Signal Transduction and Targeted Therapy* <https://doi.org/10.1038/s41392-022-01197-3>, published online 02 October 2022

In this article¹, the legend in Fig. 3 has a typo, “Extraembryonic” inadvertently supplied and published as Extraembroynic; the figure should have appeared as shown below.

Also, there was a typo in the first paragraph in The iMeLCs strategy section, “GK15” replaced with “KSR”.

The original article has been corrected.
