Correction to: *Spinal Cord Series and Cases* <https://doi.org/10.1038/s41394-022-00511-z>, published online 21 May 2022

In this article, in the Discussion section, in the 3rd paragraph, the sentence: Baclofen is a GABA receptor antagonist [11], and is often

used in the management of spasticity [12], should read: Baclofen is a GABA receptor agonist [11], and is often used in the management of spasticity [12] was corrected.

The original article has been corrected.
