

## The support your patients need

Oral hygiene might not have been top of the agenda for many in recent months, but it's vital to remind patients of its importance.

Why not help your patients make the most of leading solutions from Curaprox with the new Home Oral Care Kit? The cost-effective package includes a CS 5460 toothbrush, a CPS Interdental Starter Kit and a tube of Enzykal Toothpaste, with added value provided by a free bottle of hospital-grade hand sanitiser.

Your patients will also receive an extra 10% off when they submit your practice code at the checkout, and we will give your practice 10% commission to say thank you.

Don't forget, the CS 5460 manual toothbrush features ultra-soft CUREN filaments that deliver an effective yet gentle clean, while the CPS Prime range of interdental brushes is easy to use caters to the varying needs of individuals.

For more information and to get your unique 10% offer code, call 01480 862084, email [info@curaprox.co.uk](mailto:info@curaprox.co.uk) or visit [www.curaprox.co.uk](http://www.curaprox.co.uk).

## A solid start to dental implantology

For anyone considering a new venture for the next chapter of their dental career, the PG Cert in Implant Dentistry will provide a solid foundation to get started in the field.

Delivered through Ucer Education and led by Specialist Oral Surgeon, Professor Cemal Ucer, the 12-month modular course combines both theoretic and practical training for a comprehensive learning experience, followed by clinical training under supervision at the centre. A highly experienced training faculty cover a wide range of relevant topics, enabling delegates to work towards their EduQual Level 7 qualification.

Complemented by the exceptional facilities at the Centre of Oral-Maxillofacial and Dental

Implant Reconstruction in Manchester and the ICE Postgraduate Hospital, the next cohort starts in November.

For more information on the PG Cert in Implant Dentistry from Ucer Education – supported by Geistlich, Megagen, Neoss, TRI Implants and General Medical – visit [www.ucer.education](http://www.ucer.education) or contact Prof Ucer at [ice@ucer.uk](mailto:ice@ucer.uk)
