

## EBOOKS FROM YOUR LIBRARY SERVICE

Compiled by **Pete Folly**, Library Manager

Your BDA Library service is available at the touch of a button - you don't need to visit us to make use of our resources, which include eJournals, document supply service, evidence-based literature searches, and over 650 eBooks.

### MODERN OPERATIVE DENTISTRY: PRINCIPLES FOR CLINICAL PRACTICE

Edited by Carlos Rocha Gomes Torres  
2020; Springer  
715 pages  
eISBN 9783030317720

This book provides the theoretical knowledge required by students when learning how to diagnose oral diseases, plan treatment, and perform various types of dental restoration.

In addition to illustrated, step-by-step descriptions of procedures, this book offers essential information on basic topics, such as dental instruments and

equipment, nomenclature and general principles of tooth preparation, isolation of the operating field, matrix and wedge systems, light curing, and pulpal protection. Furthermore it addresses the diagnosis of dental caries and tooth sensitivity of non-cariogenic origin, like dentine hypersensitivity, dental erosion and cracked tooth syndrome, together with their treatment options. Also explaining the fundamental ergonomic principles of clinical practice, the book enables undergraduate students to embark on a successful professional career.

### DECONSTRUCTING THE INTERVIEW

Duncan Harding  
2018; Oxford University Press  
145 pages  
eISBN 9780191080883

Being interviewed is something that we all have to go through. Managing expectations, anxiety and performance are critical to success. Deconstructing the Interview takes a new approach to passing interviews, by examining the processes which underline successful interview performances. Instead of focusing on checklists of information, this book looks at factors for success in all interviews and helps you develop key strategies and skills that will enable success.

With advice, practical tips, real-life anecdotes, and exercises, this book provides you with skills to prepare for your interview and perform at your best. It also explores learning to cope.
