Correction to: *Blood Cancer Journal* <https://doi.org/10.1038/s41408-023-00797-8>, published online 09 May 2023

In the sentence beginning 'Isa is approved in multiple countries...' in 'Introduction', the term 'treatment lines' should have read 'therapies'. The full text is as follows.

Isa is approved in multiple countries in combination with pomalidomide and low-dose dexamethasone for patients with RRMM after  $\geq 2$  prior therapies, based on the results of the randomized Phase 3 ICARIA-MM study.

The original article has been corrected.
