Correction to: Bone Marrow Transplantation

<https://doi.org/10.1038/s41409-019-0501-9>

Published online 13 March 2019

The following funding statement was missing from the original article:

"Funding for this project was provided in part by an advanced EHA (European Hematology Association) Research Grant award and by a fellowship of excellence for postdoctoral studies from the Greek State Scholarships Foundation (IKY, SIEMENS program)"

This has been updated in the Acknowledgements section of the original article.
