Correction to: *Bone Marrow Transplantation*

<https://doi.org/10.1038/s41409-020-01152-2>

In the original version of the article the Y axis for Fig. 1e was incorrectly labelled “CD15+ donor chimerism, %”

instead of “T-lymphocyte donor chimerism, (%)”. This has now been corrected in both the PDF and HTML versions of the article.
