## Correction to: ‘You had to do something’: prescribing antibiotics in Scotland during the COVID-19 pandemic restrictions and remobilisation

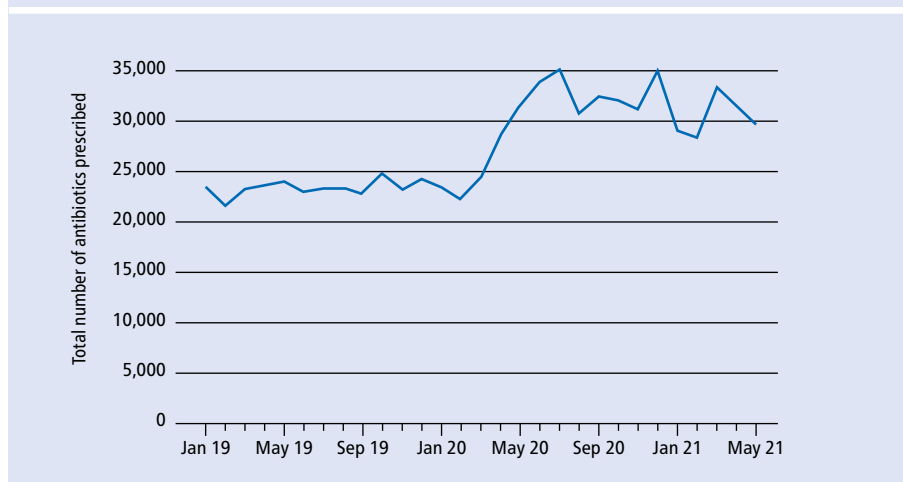

The original article can be found online at <https://doi.org/10.1038/s41415-021-3621-8>.

Author’s correction note:

Research article *Br Dent J* 2021; DOI: 10.1038/s41415-021-3621-8.

When this article was originally published, an incorrect version of Figure 1 was displayed. The correct figure is presented here, in which the x-axis has been updated:

**Fig. 1 Total number of antibiotic items prescribed in Scotland**
