

Restorations you can count on

As a clinician you'll know just how important aesthetic restorations are to your patients.

You can provide your patients with aesthetic and long-lasting results when you use BRILLIANT EverGlow from Coltene.

The universal submicron hybrid composite excels as it's easy to use – the composite sculpts brilliantly and is stable in its final form too. What's more, the composite allows for exceptional polishability and long-lasting vibrance your patients will love!

Coltene also provides invaluable customer service meaning that if you ever need support with a product the team are always prepared to help out. Upgrade your dentistry with BRILLIANT EverGlow from Coltene.

Save the date and don't miss out!

Following the massive success of the British Dental Conference and Dentistry Show (BDCDS) 2022, be sure not to miss out next year and get the dates for 2023 in your diary!

BDCDS 2023 will be held on Friday 12 and Saturday 13 May, at the NEC in Birmingham. It will once again provide a packed two-day educational programme catering to all members of the team, with an extensive trade show and various opportunities for networking and socialising with colleagues across the profession.

Some of the delegate feedback from 2022 included:

'Really informative and extremely well laid out, it was easy to locate stalls. Good range of talks available and

very knowledgeable speakers. Highly recommend.' – Poppy, dentist

'Had a lovely day, lots of interesting information and easy way to get good CPD. Really friendly stand holders and good freebies too. I'm going home excited to get back to surgery – I will be back' – Mrs J Dudley-Ford, dental hygienist

Save the dates to make sure you don't miss BDCDS 2023!

The British Dental Conference and Dentistry Show 2023 will be held on Friday 12 and Saturday 13 May, NEC Birmingham, co-located with DTS.

Specialist dental accountancy

Remote Accounting LTD is an accounting firm operating across the country, specialising in the dental industry. Led by Luke, the team provide an all-in-one dental package for dental associates, dental hygienists and dental practices.

With their insights into the dental industry, you are given tailored tax planning advice such as business structure, investments and pensions to name a few.

Their use of cloud accounting software means you will be fully Making Tax Digital (MTD) ready. Online practice management tools also allow you to efficiently prepare your accounts within a swift two-week turnaround period.

Their fixed fee model means your fees will remain the same, irrespective of the

amount of time it takes to prepare your accounts or the amount of support you require throughout the year.

The dental associate package costs £450.00 per year or £37.50 per month and includes business accounts, tax return, net pensionable earnings calculations, tax liability reminders and much more.

For dental practices, fees start from £600.00 per year or £50.00 per month (depending on turnover and practice size) and also includes business accounts, tax return, tax reminders and much more.

All fees include a subscription to Xero Cloud Accounting, an online accounting tool than can be used to manage your finances in real-time, accessible from anywhere. Training is also available at no extra cost!

To arrange a free consultation, email enquiries@remoteaccounting.org.uk.
