## Online dental CPD at your fingertips

The Agilio Software Group has announced the acquisition of the clinical learning platform ProDental CPD – enhancing its dental e-learning product, iLearn, and strengthening its position as the UK's leading provider of online learning across healthcare. Established in 2008 by Rob and Julia Dyas, ProDental CPD provides clinical learning content to professionals, including all the highly recommended and recommended CPD subjects from the General Dental Council (GDC). With a content library of over 450 courses, written and peer-reviewed by experts, ProDental CPD has won several industry awards in design and innovation and has built a user base of over 36,000.

Agilio's own leading dental e-learning platform, iLearn, has over 230 courses and 65,000 users completing an average of 60,000 courses per month. The acquisition will complement iLearn's current learning content with ProDental's clinical expertise, offering more specialist learning and wider choice for its users, whilst also providing ProDental users access to iLearn's expansive library.

ProDental CPD, with over 450 courses, is the UK's largest independent provider of online dental CPD. <https://www.prodentalscpd.com/>

## The unbeatable take-home whitening experience

SDI has long been at the forefront of advanced professional tooth whitening with an excellent reputation for its award-winning Pola whitening gels for use in-practice, at home or on the go.

Launched in the UK in April 2021, SDI has changed the game again with Pola Light, an advanced, fast-acting take-home whitening system using Pola Day 6% hydrogen peroxide gel coupled with a comfortable LED mouthpiece that helps accelerate the whitening process.

Proving that not all whitening treatments are the same, Pola Light is ready to use straight from the box with no impressions or custom trays required.

- Just 2 x 10 or 15 minutes treatments a day
- Portable, rechargeable LED mouthpiece, fully-charged for immediate use
- Unique blend of soothers, conditioners and high water content minimises sensitivity
- No mess high viscosity gel that does not leak from the trays
- Instruction guide and shade guide included
- Visibly whiter teeth in just FIVE days.

Pola Light offers patients an exciting, motivational whitening treatment for a brighter, more confident smile in a simple and manageable way. It's the ideal choice for whitening teeth quickly and safely at home as well as for future top up treatments.
