Correction to: *British Journal of Cancer* <https://doi.org/10.1038/s41416-023-02213-1>, published online 06 March 2023

Two typographical errors were present in Table 1 of the original article.

In the first column, the second range of Fong criteria (FCRS) should read 3–5; the original article read 2–5.

In the SECA-I column, the ‘Diameter of largest liver metastases in cm, median (range)’ should read 4.5 (2.8–13); the original article read 4.5 (2.8–1.3).

The original article has been corrected.
