Correction to: *British Journal of Cancer* <https://doi.org/10.1038/sj.bjc.6602453>, published online 08 March 2005

Wrong images in Figure 2B

Following publication of the original article [1], errors were identified in Fig. 2; specifically in Fig. 2b.

In the row showing cells 2 weeks after cisplatin, 'CO' and 'DEX' have been replaced with the correct data.

The authors provided the journal with the original data. The corrected figure is provided here. The correction does not have any effect on the results or conclusions of the paper.
