Retraction to: *Cancer Gene Therapy*  
<https://doi.org/10.1038/cgt.2015.6>  
published online 27 February 2015

The Editor-in-Chief is retracting this article [1]. Concerns were raised that the MALAT2 gene described does not exist. This has been confirmed by post-publication peer review: there is only one transcript, which is called MALAT1. None

of the authors has responded to correspondence from the Editor-in-Chief or the Publisher about this retraction.
