Correction to: Cell Death Diff. 2014;21:720–34; <https://doi.org/10.1038/cdd.2013.196>; published online 17th January 2014

Following publication of the article, the author named as “B Dey”, wished to point out that his full name is

“Bijan K. Dey”. This was not reflected in the typesetting of the article, and as a consequence the article is not visible on Pub Med when a search is conducted on his full name.

These authors contributed equally: AC Mueller, B Dey.

The original article can be found online at <https://doi.org/10.1038/cdd.2013.196>.
