The original version of this article contained a mistake. The following funding information was unfortunately lost during production: “This work was supported by the MOTI-VATE graduate school of the Freiburg University Medical School (grant to BD) and the Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) through the IMM-PACT-Program for Clinician Scientists– 413517907 (grant to MTB) and a grant to GH (HA 2128). Part of the project was supported by the Wilhelm Sander-Stiftung (2019.151.1).” We apologize for the error. The original article has been corrected.
