Correction to: *Cell Death Differentiation* <https://doi.org/10.1038/cdd.2015.5>, published online 20 February 2015

The original version of this article contained a figure error. Since publication of this article, the authors noticed that an incorrect image had erroneously and unintentionally been used to compile the PSD95 image for cofilin^{+/-} neuron (A β condition) in Fig. 4a.

The correct image from the original data file is provided below. The error did not affect the conclusions or interpretations of the study, and it has now been corrected. The authors apologize for any confusion and inconvenience.
