Correction: Targeting alkaline ceramidase 3 alleviates the severity of nonalcoholic steatohepatitis by reducing oxidative stress

Kai Wang, Chuanjiang Li, Xinxin Lin, Hang Sun, Ruijuan Xu, Qingping Li, Yiran Wei, Yiyi Li, Jianping Qian, Cuiting Liu, Qifan Zhang, Sheng Yu, Zhonglin Cui, Xixin Huang, Bili Zhu, Jie Zhou and Cungui Mao

Correction to: Cell Death & Disease

<https://doi.org/10.1038/s41419-019-2214-9>,
published online 16 January 2020

In the original published version of the article, there was a mistake in the affiliations:

The first affiliation (“Department of Hepatobiliary Surgery, Nanfang Hospital, Southern Medical University,

Guangzhou, Guangdong, China”) should read “Division of Hepatobiliopancreatic Surgery, Department of General Surgery, Nanfang Hospital, Southern Medical University, Guangzhou, Guangdong, China”

This has been corrected in both the PDF and HTML versions of the Article.
