Correction to: *Cell Death and Disease* <https://doi.org/10.1038/s41419-018-0972-4>, published online 20 September 2018

Following publication the authors noticed an error in Fig. 1a. The $\times 40$ and $\times 200$ magnification for the low RIF1 expression did not come from the same field of view. The authors apologize for this error and confirm that the conclusions of the article have not been affected.
