Correction to: *Cell Death and Disease* <https://doi.org/10.1038/s41419-021-04101-z>, published online 27 August 2021

The original version of this article unfortunately contained a mistake. An image of the STING KO mice (without DSS) was mistakenly used for the representative colon H&E images for wild type mice (without DSS) during the compilation of Fig. 5E. The authors apologize for the error. The correct Fig. 5E can be found below.
