The original version of this article contained an error in the affiliations. Won Sung Lee and Yeonmi Park are graduate students preparing for graduation and need to add a new author affiliation (Department of Health Sciences and Technology, GAIHST, Gachon University, Incheon 21999, Korea) in the published paper as a graduation requirement to graduate in February 2023. Both authors are still working at the same institutions indicated in the manuscript's author affiliation. The authors apologize for the error. The original article has been corrected.
