Correction to: *Cell Death Discovery* <https://doi.org/10.1038/s41420-022-00839-3>, published online 02 February 2022

In Figure 7a, the first diagram in the second column and the fifth diagram in the second column are repeated. In the reviewer's comments, we were asked to re-upload the images after enlarging their resolution. The authors apologise for this mistake, as we were careless in the revised article and did not place the correctly enlarged image in the position of the first image in the second column. The corrected Figure 7 can be found below

The original article has been corrected.
