The author affiliations were mixed up in the previous published version. In addition, the author contribution section missed a statement of “The idea was conceived by J.K.L., W.W. and J.L.”. This correction does not affect the description of the results or the conclusion of this work. We apologize for any inconvenience this may have caused.

The corrected Author affiliations, and Author contribution are as follows:

AUTHOR CONTRIBUTIONS

The idea was conceived by J.K.L., W.W. and J.L., J.L. and Y.P. designed and performed most of the experiments with assistance from L.S., L.W., H.I., J.G.L., J.P.G., J.Z., S.Z., X.W., J.G., X.D., S.F. and L.J., M.Y. and J.M.A. performed the LC-MS/MS metabolomic profiling and mass spectrometry analysis of IDH1 T157 phosphorylation. W.W., J.K.L., P.P.P. and W.G.K. supervised the study. J.L. and W.W. wrote the manuscript. All authors commented on the manuscript.
