Cellular & Molecular Immunology (2021) 18:2081; <https://doi.org/10.1038/s41423-021-00716-6>

Correction to: *Cell Mol Immunol*
<https://doi.org/10.1038/s41423-018-0189-6>

The authors have retracted this Correspondence. After the publication of this correspondence, it came to the authors' attention that the control RAG2^{-/-} mouse was a RAG2^{-/-}γC^{-/-}

mouse. This point resulted in the conclusions being considered invalid. The authors apologize to the journal and its readers for any inconvenience caused.

All authors agree to this retraction.
