Correction to: *Genetics in Medicine* 2020; <https://doi.org/10.1038/s41436-020-01020-w>; published online 10 December 2020

Unfortunately, in the first sentence in the abstract, a spelling mistake was introduced during the production process after

our proofreading. The wording was changed from “aims” to “aimsed.”

Heather M. McLaughlin was not listed among the authors. The original article has been corrected.
