Correction to: *Horticulture Research*  
<https://doi.org/10.1038/s41438-021-00683-z>  
published online 1 December 2021

The original article has been corrected.

Published online: 14 December 2021

After online publication of the article<sup>1</sup> the author noticed minor typo in Fig. 4c. *CeSEP1*/2/3/4 should be read as *CeSEP1*/3/4. Revised figure supplied during the proof correction was inadvertently not reproduced in the final version.

In addition, the affiliation numbers of the authors revised in the original article during proof correction, but not reflected in the title page in Supplementary Information.
