Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-017-01307-8>, published online 15 November 2017

The original version of this article contained errors in Refs 15, 27, 32, 33 and 43, which were incorrectly given with the wrong journal name “*Solid Phys.*” rather than the correct “*Sol. Phys.*”. This has now been corrected in the PDF and HTML versions of the article.
