Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-017-02390-7>, published online 18 December 2017.

The original version of this Article contained an error in the spelling of the author Yingjie Yu, which was incorrectly given as Yu Yingjie. Furthermore, in Figure 3a, the labels 'MD | $p < 0.05$ ' incorrectly read 'MD | $p > 0.05$ '. These errors have now been corrected in both the PDF and HTML versions of the Article.
