Correction to: *Nature Communication*; <https://doi.org/10.1038/s41467-018-04111-0>, published online 26 April 2018

In the originally published version of this Article, the affiliation details for Dorina Avram incorrectly included “Department of Infectious Diseases and Immunology, College of Veterinary Medicine, University of Florida, 2015 SW 16th Ave, Gainesville, FL, 32608, USA”, instead of “UF Health Cancer Center, University of Florida, Gainesville, FL 32610, USA”. This has now been corrected in both the PDF and HTML versions of the Article.
