Publisher Correction: Long-haul optical transmission link using low-noise phase-sensitive amplifiers

Samuel L.I. Olsson^{1,3}, Henrik Eliasson¹, Egon Astra², Magnus Karlsson¹ & Peter A. Andrekson¹

Correction to: *Nature Communications*; <https://doi.org/10.1038/s41467-018-04956-5>; published online: 28 June 2018

The original version of this Article incorrectly listed an affiliation of Samuel L.I. Olsson as ‘Thomas Johann Seebeck Department of Electronics, Tallinn University of Technology, Tallinn 19086, Estonia’, instead of the correct ‘Present address: Nokia Bell Labs, 791 Holmdel Road, Holmdel, NJ 07733, USA’. Similarly, Egon Astra had an incorrect affiliation of ‘Present address: Nokia Bell Labs, 791 Holmdel Road, Holmdel, NJ 07733, USA’, instead of the correct ‘Thomas Johann Seebeck Department of Electronics, Tallinn University of Technology, Tallinn 19086, Estonia’. This has been corrected in both the PDF and HTML versions of the Article.
