The original version of this article contained Figshare links in the Code availability statement that were not functional. The correct Figshare links to MATLAB scripts and R code used in this study are <https://doi.org/10.6084/m9.figshare.4955651> and <https://doi.org/10.6084/m9.figshare.4836383>, respectively. These errors have now been corrected in both the PDF and HTML versions of the article.
