Author Correction: Tree rings reveal globally coherent signature of cosmogenic radiocarbon events in 774 and 993 CE

Ulf Büntgen et al.[#]Correction to: *Nat. Commun.* <https://doi.org/10.1038/s41467-018-06036-0>; published online 6 Sep 2018.

The original version of this Article contained an error in the Data Availability section, which incorrectly read ‘All data will be freely available via <https://www.ams.ethz.ch/research.html>.’ The correct version states ‘<http://www.ams.ethz.ch/research/published-data.html>’ in place of ‘<https://www.ams.ethz.ch/research.html>’. This has been corrected in both the PDF and HTML versions of the Article.
