Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-11161-5>, published online 30 July 2019.

The original version of this Article contained an error in Figs. 3 and 4, in which all *y*-axis labels incorrectly included ‘Emissions reduction (million ton)’ rather than the correct ‘Total emissions (million ton)’. This has been corrected in both the PDF and HTML versions of the Article.
