Author Correction: NFAT primes the human *RORC* locus for *RORγt* expression in CD4⁺T cells

Hanane Yahia-Cherbal, Magda Rybczynska, Domenica Lovecchio , Tharshana Stephen, Chloé Lescale, Katarzyna Placek, Jérôme Larghero, Lars Rogge  & Elisabetta Bianchi 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-12680-x>, published online 16 October 2019.

The original version of this Article contained an error in the author affiliations.

Affiliation 4 incorrectly read ‘Institut Pasteur, Departments of Immunology and Genomes and Genetics, Paris, France’. The correct affiliation 4 should read as ‘Institut Pasteur, Genome Integrity, Immunity and Cancer Unit, Equipe Labellisée Ligue Contre le Cancer, Department of Immunology, Department of Genomes and Genetics, Paris, France’.

This has now been corrected in both the PDF and HTML versions of the Article.
