Author Correction: Stronger zonal convective clustering associated with a wider tropical rain belt

Max Popp & Sandrine Bony

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-12167-9>, published online 19 September 2019.

The original version of this Article contained errors in Fig. 1. In Fig. 1a, the label at the top of the left panel incorrectly read ' $S_\lambda(P) = 1.45$, $W_p = 1.08$ and $W_\omega = 32.3$ '. The correct version reads ' $S_\lambda(P) = 0.90$, $W_p = 0.71$ and $W_\omega = 25.3$ '. Similarly in Fig. 1b, the label at the top of the left panel incorrectly read ' $S_\lambda(P) = 0.90$, $W_p = 0.71$ and $W_\omega = 25.3$ '. The correct version reads ' $S_\lambda(P) = 1.45$, $W_p = 1.08$ and $W_\omega = 32.3$ '. This has been corrected in both the PDF and HTML versions of the Article.
