Author Correction: Adaptive individual variation in phenological responses to perceived predation levels

Robin N. Abbey-Lee  & Niels J. Dingemanse 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-09138-5>, published online 8 April 2019.

The original version of this article contained errors in Eqs. (4), (5), and (6). These equations contained errors in the subscripts of matrix element $a_{2,2}$ and incorrectly read:

$$\Omega_S = \begin{bmatrix} V_{S_L} & \text{Cov}_{S_{L,H}} \\ \text{Cov}_{S_{L,H}} & V_{S_L} \end{bmatrix} \quad (4)$$

$$\Omega_I = \begin{bmatrix} V_{I_L} & \text{Cov}_{I_{L,H}} \\ \text{Cov}_{I_{L,H}} & V_{I_L} \end{bmatrix} \quad (5)$$

$$\Omega_e = \begin{bmatrix} V_{e_L} & \text{Cov}_{e_{L,H}} \\ \text{Cov}_{e_{L,H}} & V_{e_L} \end{bmatrix} \quad (6)$$

The correct forms of Eqs. (4), (5), and (6) are:

$$\Omega_S = \begin{bmatrix} V_{S_L} & \text{Cov}_{S_{L,H}} \\ \text{Cov}_{S_{L,H}} & V_{S_H} \end{bmatrix} \quad (4)$$

$$\Omega_I = \begin{bmatrix} V_{I_L} & \text{Cov}_{I_{L,H}} \\ \text{Cov}_{I_{L,H}} & V_{I_H} \end{bmatrix} \quad (5)$$

$$\Omega_e = \begin{bmatrix} V_{e_L} & \text{Cov}_{e_{L,H}} \\ \text{Cov}_{e_{L,H}} & V_{e_H} \end{bmatrix} \quad (6)$$

This has been corrected in the PDF and HTML versions of the article.
