Author Correction: Human activity recognition using magnetic induction-based motion signals and deep recurrent neural networks

Negar Golestani & Mahta Moghaddam 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-15086-2>, published online 25 March 2020.

The original version of this Article contained an error in Fig. 2, in which both Fig. 2a and Fig. 2b were identical. Figure 2a should instead have shown the results for three other activities. This has been corrected in both the PDF and HTML versions of the Article.
