Mehrnoush Rafiei  & Martin Kennedy 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-11421-4>, published online 1 August 2019.

The current sentence in Acknowledgement reads as “Financial support for this work was made available by the Australian Research Council LP12020086 and LE160100155”, and this should be corrected to “Financial support for this work was made available by the Australian Research Council LP12020086 and LE160100155 and by an Australian Government Research Training Program (RTP) Scholarship”.
