Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-13532-4>, published online 2 December 2019.

The original version of this Article contained an error in the third subheading of the “Results” section, which incorrectly read “Knocking down endogenous LRIG1 inhibits AR⁺LRIG1⁺ PCa”. The correct version should have been “promotes” in place of “inhibits”.

This has been corrected in both the PDF and HTML versions of the Article.
