This Article contains an error in Fig. 4. During the preparation of Fig. 4d, the image representing showing *E-CADHERIN* expression under hypoxia conditions in A2780 cells was inadvertently taken from the image in Supplementary Fig. 15C showing *E-CADHERIN* expression under hypoxia conditions in SKOV3 cells. The correct version of Fig. 4 is shown below. The error has not been corrected in the PDF or HTML versions of the Article.
